Venice (above) really is 50! Also in #201, Semmie took it from behind and Sheri fucked herself. Redhead Demi loves it in her ass.

THE GALS OF SEPTEMBER: TEASING AND PLEASING

Dear 40Something,

40Something #201 was great! Venice looks a little young to be 50, but she looks so hot as a teacher. Her pantyhose are to die for. She's blonde, busty and pretty slim.

Avalynne O'Brien looks like she can take it up ass. She is my type of dream girl: an older lady, a redhead and blue eyes to boot. I love the wrinkles on her face and hands.

I can't stop jacking to Sheri Fox. Her pussy jewelry makes her even better. I'm also glad she kept some pubic hair, and it's red. That's hot!

I can't believe Georgette's story with Demi LaRue ("SeXXXty Something"). That's some lucky fan! Demi is one of my favorite MILFs because she's a red-haired tease.

Semmie's XXX pictorial was great. She's great at sucking dick and smiling. Her pushups and ass while she was giving a blow job were so sexy.

Shana is so beautiful. Her small,

beautiful body is sexy. She's a great tease.—D.A., Fort Stockton, Texas

LUBE 'EM UP AND MAKE THOSE MILF HOLES GAPE!

Dear 40Something,

As a subscriber, I would like to express my disappointment with

40Something #201. The primary attraction of your magazine is that the older models can really open up their holes and give us gape shots. The previous issues were great. This issue is tame, even lame.

"DVD Pick" of 60Plus MILFs: This is the best layout of the issue, and none of the ladies are new. Valerie's creampie shot is stroke-inspiring, and she has the hottest pink pussy here.

Venice's shots are just not sexy. Interesting shot of her sole. The spread shot is dry with no gape whatsoever.

Avalynne: Some gape but looks dry. Maybe some lube, natural or applied, would help. She is obviously loose, and if she used her fingers to pull those flaps open, it would be great.

Sheri is hot. I love the fact that she looks well-used and experienced. Great pussy jewelry. Disappointing spread shot. Would love to see deep inside her.

Georgette's column: Interesting. The previously run shot of Demi LaRue was one of the better spread shots in the issue.

Rita can be a real star, but her feature seemed dry and uninspired.

Semmie is a hot lady, but the choice of shots did not do her justice. Good shot of her asshole as she rides bone.

Jewel is a hot lady, willing to open up and stretch those lips. Wish your photographer had taken a better shot and showed us the inside of her hole.

Bella has a hot, pink, wet pussy. She

seems willing to spread. I would have loved to have seen her pussy close up. Dallas: again, potential wasted. Shana: another willing lady with great assets, but the choice of shots was disappointing. Shasha: great lady, but her layout is dry and uninteresting. You have great sluts, but the photos were lacking. Let's see the return of the great gape shots showing deep, moist, pink shots of the holes your models are willing to show.—Chessifan, via email

SANDRA ANN: SO GOOD, HE HAD TO BUY TWO!

Dear 40Something,
 I went to my local adult video store to buy my copy of 40Something, like I do every month. I saw on the cover of issue #199 that Sandra Ann, a 75-year-old woman, was going to be in this issue, and I thought, "Okay."
 But then I could not believe how much I loved the layout. So much that I shot a huge load all over Sandra Ann. I had to go out and buy another copy, I came so much on her.
 I hope she will be back in future. Being that I live in South Florida, I am around older women a lot, but none of them look as good as Sandra Ann.—Marc, West Palm Beach, Florida
 Dear Marc: Sandra Ann fucks in the new issue of 50Plus MILFs, available on page 87.

FINALLY, DETENTE IN THE AGE-OLD DILDO DEBATE

Dear 40Something,

I'm happy to see that 40Something seems to have finally struck the proper balance between spread-pussy shots and dildo shots. In the September '10 issue (#201), we got a clear, unobstructed view of Avalynne's pussy, then we got to see how it looked wrapped around a dildo. Next, Sheri Fox spread her pierced pussy, then fucked it with a big, black dildo. Shana showed pink, then filled it with plastic. Very nice.

I have long believed that the pro-dildo/anti-dildo debate could be ended by satisfying both sides. In other words, why let one side win when that would simply alienate the other side? With Sheri, Shana and Avalynne, we got to see their pussies in various states of, shall we say, fulfillment.

Of course, we also got the wide-open gashes

Who fucks better, mom Jessica Sexton or her daughter Monica?

of Dallas, Bella (her asshole looks so tight, it's hard to believe that it's ever been fucked, but she says it has, so I believe her) and the legendary Jewel. Thanks for doing right by those of us readers who want it both ways: spread pussy and dildo-filled pussy.—J.H., Houston, Texas

SON-SWAPPING MILFs, OR "THE SON ALWAYS RISES"

Dear 40Something,

I have a couple of ideas for layouts and XXX scenes.

1. See if some of your MILFs would like to swap sons. For example, Persia Monir could have a scene with Avalynne O'Brien's son while Avalynne does a separate scene in a separate studio with Persia's son.

You could also snap a couple of pictures of the mothers with their sons (fully clothed, of course, or at least in underwear) before shooting their scenes.

2. If Monica Sexton could be persuaded to return

to do XXX as her mother, Jessica, has already done, maybe the two of them could double-team a 40Something model's son in a XXX scene. If they would rather not do a scene together, then shoot each one with the same model's son in separate scenes. Afterwards, the young man could declare who is the better fuck. (I believe the mom would win). If one or both is bi-sexual or bi-curious, they could each shoot a threesome with Persia, who is bi, and a 40Something model's son.—David H., via email

RITA IN PICTURES IS JUST LIKE THE REAL THING!

Dear 40Something,

Rita Daniels with a flesh-and-blood fuck stick in her slutty mouth and well-used cunt was a welcome sight in the last issue (40Something #201), although not exactly unexpected. After all, I've seen her at 50PlusMILFs.com, and, believe it or not, I've seen her sweet old cunt up-close-and-personal at the

YOUNG WIFE DISCOVERS HIS 40SOMETHING STASH

Dear 40Something,

I have a pretty serious problem, and I'm hoping my fellow 40Something readers can help me or at least offer some good advice.

I am 26 years old. My wife, who I married a year ago, is 24 years old. And that's the problem because recently, she discovered that I read 40Something magazine.

This is a problem in two ways. First, she thinks I'm weird because I look at what she calls "old ladies." Every time we're out and we see an older woman, she makes cracks like, "Oh, I bet you like her." She even asked me if I want-

SeXXXty Something

The naughty adventures of a 60something swinger!

By Georgette Parks

My guy loves seeing me dressed up in sexy clothing. Fortunately, we were at a nudist resort in the Mid-Atlantic States, where I could wear some of my hottest outfits.

Hi to all of my sexy, horny guys. Boy, time has just flown by! I've been busy getting organized and acclimated to my new home. I've also had a lot of family stuff going on with my kids and grandkids.

I barely got myself accustomed to my new home when my guy whisked me away for the summer to his cabin at another nudist resort up north. It's a little more rustic than the nudist club where I lived before. This resort was smack dab in the middle of the woods and was truly beautiful. The air seemed so much fresher, probably because of all the trees. I loved sitting on the deck and watching the wind rustling through the trees. Our cabin had a deck where we ate all our meals when we were home. But all the people there welcomed me with open arms, and we were constantly being invited here and there for cocktails or dinners. Everyone was so friendly. I

have made a lot of new friends here.

I got to play quite a bit of tennis and sat by the pool every afternoon. We would walk around the whole complex practically every day, too. There were more potluck dinners and parties at different people's cabins than you can imagine. We always took at least a day each week so I could see all the sights around the area and get to know the area since I had never been to that part

of the United States before.

The whole three months we were at the club, we partied continuously, or so it seemed. There were a lot of party animals there. Not all of the people were swingers, but my guy knew who was and who wasn't. It was refreshing to meet so many new people.

A lot of our friends at the resort knew that I write a column for *40Something* and were quite interested

Down in Florida, I don't have many opportunities to go running nude in the woods. And what follows a nice romp in the woods? A romp in bed!

A few seconds after snapping these photos, my guy took advantage of my position and fucked me from behind! I loved it!

in how I came up with my stories as well as the pictures that go along with the columns. Some of them actually wanted to help shoot the pictures and had all kinds of suggestions as to where they should be shot and what I should wear, if anything. It's really hard finding places to shoot within a nudist resort because I can't let readers recognize the resort and find out where it is. For privacy purposes, of course. We ended up going to some of our friends' homes in nearby areas. A few of the gals actually wanted to share some of their sexual encounters with me.

Well, I went to the store today to buy stockings so I could dress up for my

guy. He loves to see me in garter belts and stockings. He gets horny just thinking about me wearing them. Do you know how difficult it is to find regular stockings for garter belts? Most

stocking...like you guys are interested in that kind of stuff! That's probably my guy's favorite thing for me to wear to dances at the nudist clubs. He wants me to have a purple garter belt, which I have been searching for forever.

“The last time I put on my garter belt and stockings for him, he was SO horny, he took me right there on the kitchen table! He licked my pussy and got me all juicy and wet!”

The last time I put on my garter belt and stockings for him, he was so horny, he took me right there on the kitchen table. He licked my pussy and got me all juicy and wet and slid his hard cock in me. He kept banging me and making me cum, and then

he pulled out of me, and I got down on my knees and started sucking his cock in the kitchen. He loves to have me suck his cock and suck him really deep until it makes me gag. He moans and tells me how much he likes me to suck him off.

We finally made it as far as the living room, and I bent over the sofa arm so he could take me from behind. He slid his cock in me ever so slowly, slapped my butt and called me his slut (which I am!) while he continued to slam his cock in and out of me. It's a big tease when he does that really slowly. After a while, he started playing with my asshole, which made me cum even more.

He loves to make our fucks last as long as possible, so he asked me to suck him some more, which I was more than happy to do. I like to suck his hard cock as much as he likes having it sucked by me. I try to suck him

stores now have thigh highs, and they don't go with garters; the fabric is too thick. Victoria's Secret and Frederick's are about the only stores that still have

It's nice being at a nudist resort where you can wear outfits like these in public places and nobody minds. Of course, when I wear an outfit like this, my playmate, whoever he is, has easy access to my tits and pussy. And that's the way I like it!

slowly to prolong everything even more. I even stopped and sucked on his balls a little, too, while I played with his cock.

Finally, we got to the bedroom, and he wanted me on top of him. I crouched with my knees bent so I could see his gorgeous cock going in and out of my pussy. I started cumming more and more until I didn't think I could stand it, and then he started going faster and faster and we climaxed together, which is truly a wonderful thing. He shot his load deep inside of me and let his cock linger inside my pussy, which I love.

Going up north kind of put a damper on a lot of swing parties I had been going to in Florida. One couple did have a small gathering at their home, which is located away from the resort property. In fact, it was the home of a guy who offered his motorcycle to me for a photo shoot. There were not a lot of couples there who we were interested in, but we finally got together with one couple.

My guy and I wanted to stay together so we could experience watching each other fucking someone else. We

hadn't done that, so it was a new experience that we both decided was great. The guys licked our pussies to get us aroused and ready, then it was our turn to suck their cocks. I wasn't that crazy about seeing another woman sucking

“He slid his cock in me ever so slowly, slapped my butt and called me his slut!”

my guy's cock, but I knew he wasn't really into the way she was doing it anyway. At least he got hard so he could slide his cock inside of her. I really did like seeing him thrust his cock in and out of her pussy.

The best part was hearing him cum and knowing that he was satisfied. He actually held my hand while he was climaxing. That meant a lot to me. We talked afterwards about how we both felt about seeing each other with some-

one else. He said it really turned him on to see me getting fucked by someone else.

Changing subjects now, we went to Fantasy Fest in Key West and had a blast. It was a wild party! I can't show you pictures of other people, so you might have a hard time getting an idea of how crazy this party is. The people are wild and some costumes are really way out there. If you ever have an opportunity, you need to experience it at least once. We went with another couple in a motor home and stayed a short distance away from the party. They happened to be swingers, too, so we did have one bout in bed with them. We ladies played with each other, and our guys always seem to like seeing us lick and eat each others' pussies.

That's about all I've got this time. Please keep your remarks and emails coming. Hope you are getting lots of sex. Stay healthy, happy and horny, and I'll see you next issue with more exciting stories.—Love, Georgette

Here I am at Fantasy Fest, an annual event held in Key West, Florida. The official rules prohibit nudity in public, but, hey, I'm not naked, right? I'm wearing a dress! Fantasy Fest is one of those unique events that everyone—especially nudists and swingers—should experience at least once in their lifetime. I know I'm going back!

Birthday: September 24
Age: 42
Height: 5'6" **Weight:** 108 lbs.
Lives: Chicago, Illinois
Status: Divorced
Occupation: Model

"I'm one of the horniest, hottest 42-year-olds you're ever going to meet," said Montana, who posed for *40Something* because... well, because this is what she was born to do. "I love when someone's sucking on my tits. I also like when someone goes down on my pussy." And when someone fucks her pussy. "I have sex four or five days a week," she said. "More if I can find time."

The answer is: "At my sister's wedding, in the broom closet, up on the janitor's cart." The question: When and where did Montana have her kinkiest sexual encounter. "I was the maid of honor," she said. "He was a groomsman. Halfway through the ceremony, I caught his eye and mouthed, 'Wanna fuck?' He blushed, then nodded." And, just after soup but before the main course, Montana sidled up to him on the dance floor and whisked him away. "I'm small, which helps when you're trying to have sex in a closet," she said. "I took his dick out, gave it a few sucks, then mounted him and wrapped my legs around his back so he could pump my pussy. When we got back to the party, my sister said, 'Where have you two been?' but she knew. She knows me."

Montana enjoys tennis, softball, cross-country and flag football. She roots for baseball's Chicago Cubs and football's Chicago Bears and Miami Dolphins. She likes outdoorsy guys, and if you get her into bed, massage her feet. "I'll melt for you," she said. In these pics, Montana's pussy is so wet, it looks like it's melting. "Wet enough to handle the biggest dicks, tight enough to make the littlest ones feel big," she said. So cum one, cum all!

Trisha

Birthday: December 30
Age: 54
Height: 5'3" **Weight:** 122 lbs.
Lives: Lakeland, Florida
Status: Married
Occupation: Bikini pool care

Her husband calls her “a raging, out-of-control nympho whore who just can’t get enough cock, cum, pussy and sex.” To illustrate, he told a story about their courtship. “When we started dating, I told her, ‘Let’s take it slow and get to know each other,’ On our second date, we ended up back at my place to chat and have a drink. She waited 10 minutes before dropping her jeans and showing me her beautiful ass, then she sucked and fucked my brains out.” And now, he knew the real Trisha.

To prove she's a raging nympho whore, Trisha took it up the ass from one of our hung studs at 50PlusMILFs.com. "I'm the sexiest 50something woman you've ever seen," Trisha says at the start of her scene. "I want a big, beautiful cock in my mouth, pussy and ass." She gets what she wants. She always does. "My hubby's wonderful, but he can't possibly keep up with my needs. I love sucking and swallowing loads of cum, and I need it all the time."

You may have noticed Trisha's occupation: "bikini pool care." That means she'll come to your house and clean your pool while wearing a T-back bikini. As you can imagine, cleaning an in-ground pool involves lots of bending over. "I'm the only pool cleaner I know whose customers watch while I'm cleaning their pool. I've had guys trying to indiscreetly jack off while I'm changing their pool filter, but I encourage it. I take a good, long time doing my job. I want my clients to keep cumming!"

Trisha's hobbies are "riding a Harley and fucking a lot." She loves football, and it's no surprise her favorite team is the Green Bay Packers, considering how much she loves having her pussy and asshole packed with cock. She isn't into any fetishes. "My motto is, 'If it feels good, do it.' And I do it all the time!" We asked her about her sexual fantasies, and she said, "I'm living out all my fantasies right now. Maybe getting 10 guys off in 10 minutes." How about 10s of thousands of horny, admiring *40Something* readers right now, Trisha? "Now that sounds like a plan!" she said. "I hope you boys have your cocks out. Your nympho whore is ready for you!"

Lola Lee

At **67**, she's fulfilled all of her **fantasies**. Now she's **working on yours!**

INTERVIEW BY DAVE ROSENBAUM

She debuted in the June '06 issue of 40Something at the age of 62, and since then, Lola Lee's popularity has done nothing but grow. To call her one of our most popular MILFs ever is an understatement. She's one of our elite, in a category with Georgette Parks and Jewel, who happens to be one of her best friends.

Now 67, this swinger from Texas is back in our studio and doing what she does best, looking just as hot and sexy as ever... maybe even sexier. She really has that woman-next-door look. She's the kind of lady you might see at the supermarket or the mall. You'd think, "She's sexy," but you'd probably never guess what she does in her free time. Well, in her free time, Lola Lee enjoys reading, gardening and shopping. And, of course, fucking.

storemags

"At my age, I've fulfilled just about all of my fantasies," Lola Lee said. "I have never had sex on a train, so I think I would like to try that. But just because I've fulfilled all of my fantasies doesn't mean I'm not still having fun. The fact is, I'm having the time of my life!"

40SOMETHING: Hi, Lola. How are you doing?

LOLA: I'm doing fine. It's great to be back. It's been a while.

40SOMETHING: You're right. It has been a while since you've been in our studio.

LOLA: Four or five years.

40SOMETHING: And, if you don't mind my asking, how old are you now?

LOLA: Four or five years older than I was before! [Laughs]

40SOMETHING: And, of course, you're back by popular demand. How do you feel when you hear that you're back by popular demand?

LOLA: I'm thrilled! I'm really glad about it. I'm surprised but thrilled.

40SOMETHING: Why surprised?

LOLA: Because I really didn't think that anybody would be so crazy about seeing me again that they would ask for me, so I was glad about it. And I always love coming to your studio. You make me feel so wonderful.

40SOMETHING: Well, two of the names

that keep coming up when members are making requests are yours and Jewel's. Who, of course, is...

LOLA: My friend!

40SOMETHING: What have you done with Jewel?

LOLA: We've done a lot of things together. Shopping, traveling. Fucking. [Laughs] Playing with each other and other people, and it's been a lot of fun. We have a great time together.

40SOMETHING: Just you and Jewel?

LOLA: Yeah. If there're no guys around, somebody has to do something, so we'll just do it with each other.

40SOMETHING: Is there usually a strap-on involved or do you two ladies just do a lot of licking and touching?

LOLA: No, we haven't used a strap-on. I can't remember ever using one. We usually just...well, I guess we have, come to think of it. [Laughs] We have done that! And it was fun. I can't believe I almost forgot about that!

40SOMETHING: Who was wearing the strap-on, you or Jewel?

LOLA: I think she had the strap-on that time. We've been together a lot of times, you know, and we've done a lot of different things.

“Jewel really enjoys
getting out there, and I’m a
little more laid back. Of course,
I’m horny, too!”

40SOMETHING: More than 10 times?

LOLA: Yeah!

40SOMETHING: More than 20?

LOLA: Not that many. Usually there's a guy involved and we'll share him.

40SOMETHING: Who's hornier, you or Jewel?

LOLA: Oh, Jewel is, definitely. She really enjoys just getting out there, and I'm a little more laid back. Of course, I'm horny, too, and I enjoy my guys, and I enjoy women, too.

40SOMETHING: So you're more reserved than Jewel?

LOLA: I guess you could say that. She probably wouldn't

Storemags.com

agree with me, though. Jewel would say that she's more reserved, but she really isn't. She's more of an extrovert than I am. Of course, we are somewhat similar in that we'll both go right up to a guy we're interested in. And, of course, we're both doing things that most women in their 60s don't do.

40SOMETHING: Now, you're married.

LOLA: Yes.

40SOMETHING: For how long have you been married?

LOLA: For 32 years.

40SOMETHING: And is this your first marriage?

LOLA: No, I was married once before. I've been married twice, but the first one didn't last very long.

40SOMETHING: Well, congratulations to your second husband for holding onto you for 32 years. How has he managed to do that? What has he done right?

LOLA: Well, he doesn't force me to do things I don't want to do, but he doesn't mind going along with whatever I want to do, and if I want to make it with another guy,

then he is fine with that as long as he's there to see it and watch, or if the other guy has a pretty girlfriend, he's happy with that, too.

40SOMETHING: So he'll join in with the pretty girlfriend.

LOLA: Oh, yeah. He's done that lots of times. I'll be fucking one guy on the bed, and then he'll get up next to me and fuck the guy's wife. One time, he was fucking another man's wife while the man was fucking me, and me and my husband were holding hands.

40SOMETHING: I don't know why, but for some reason, that's very hot. So as far as your husband is concerned, he'll be right there when you're having sex with a guy.

LOLA: Yes. And a lot of times, if he's not having sex, too, he'll be taking pictures for my website.

40SOMETHING: Have you always been this sexual, or is it something that has emerged over the past 10 or 15 years?

LOLA: I really came into my sexuality in my 40s. I always enjoyed it and had a good time, but I didn't get to where I really loved it until I got into my 40s. I don't know why that is. I think it was that working in public, you always have to stay a little nicer and have to be good, and when I got into my 40s, my husband and I started into the swinging lifestyle, and things changed. I've really gone wild since I retired.

“YOU have to let it be known that ‘I’m here and I’m horny!’”

40SOMETHING: Whose idea was swinging, yours or your husband's?

LOLA: It was kind of a mutual thing. We had started going to a couple of the clubs and just sitting there, not doing much of anything except watching. I was scared to death the first time, and after a while you're sitting there and nobody's coming up to you and you're thinking, "Well what the hell is wrong with me?" [Laughs] So then you

have to start pushing yourself out there, and it was really great. It was something I really wanted to do, and so did my husband. I just had to work up the nerve to put myself out there, and once I did, there's been no looking back. I'm having a ball!

40SOMETHING: Putting yourself out there ...what do you mean?

LOLA: I was one of those women who always sat there and waited for them to come to me, but in the swinging lifestyle, you have to be more outgoing and let it be known that "I'm here and I'm horny!" So I'd smile at a man, and if he was dancing, I'd get up there close to him, and if I really wanted him, I'd just go over and ask if he'd like to get together and do something, maybe go back to one of the little rooms. It was mostly a matter of gaining nerve and confidence, but I think it's that way with everyone who gets into the lifestyle, men and women.

40SOMETHING: Let's say you and Jewel are in the same room, and you both see a guy and want him. Who's more likely to make the first move?

LOLA: If we're together? We'll egg each other on. We'll both go do it. He'd get a threesome. So far, we've never been turned down, not once! So I'd have to say in those situations, we're equally aggressive. Sometimes we can be very competitive, trying to prove how good we are in bed, and when that happens, the guy really has a good time. All he has to do is sit back and enjoy himself!

40SOMETHING: Now, you're from Texas. Where exactly?

LOLA: North of Dallas.

40SOMETHING: Are you a sports fan?

LOLA: I like the Cowboys in football and the Stars in hockey. When I was younger, I played basketball and bowled. Now I bowl sometimes.

40SOMETHING: Jewel's from Carolina. You're from Texas. You both have a Southern belle way about you. Classy, reserved. But then there's that other side to you, the one we're seeing here.

LOLA: Yeah! My favorite side!

40SOMETHING: And I'm wondering if you think that's what men like about you? You seem so classy and reserved, yet you're doing this.

LOLA: I think you're right because if you're with me, we can go anywhere. We can go have a very nice dinner at a very nice restaurant, we'll look fine, or

Height: 5'6"
Weight: 144 lbs.
Lives: Fort Lauderdale, Florida
Status: Divorced
Occupation: Web cam model

When Elektra appeared in issue #199, we pointed out that she has something for everyone: big, lush tits, a full, overflowing bush, pliable pussy lips and a big clit. Then Elektra added, "Don't forget my ass. I love getting it fucked." We haven't forgotten, and in these photos, Elektra's friend hasn't forgotten, either.

"I like women," Elektra said. "I love licking pussy and having my pussy licked. I love being with two guys at once. I like sucking cock. I just love sex in general. My favorite position is on top. I like to get on top and ride so my clit is rubbing against the guy's pubic bone. That's my favorite position to cum. I like doggie-style, too, but my favorite position for getting fucked in my ass is on my back so I can reach down and rub my big clit while the man is fucking my ass. That way, he gets to cum and I do, too!"

"I was at the beach in South Beach this summer wearing a thong bikini, and you should've seen the looks I got, even there where anything goes," Elektra said. "It wasn't just that my tits were pouring out of my bikini top, which they were. Just about the only things covered were my nipples. It wasn't that 99% of my ass cheeks were exposed, which they were with the thong going up my ass. It was my bush! It was just overflowing my bikini bottom. There was pussy hair everywhere! Men tried not to look, but they couldn't help themselves. They all had raging hard-ons! One of the lifeguards tried to get me to cover up, so I said, 'Why?' I wanted to hear him say, 'Ma'am, your bush is overflowing,' but he just stammered and walked away."

Getting fucked on camera is nothing new to Elektra. She used to be a porn star. "I've licked Nina Hartley's pussy and sucked Ron Jeremy's cock," she said. "I've fucked three guys at one time and been in plenty of gang bangs where I walked away coated in cum. But this is one of the most exciting things I've ever done. I mean, my pussy hair is all over the place, and my ass is being packed with cock. It's really filthy!" It is, and our stud said he loved the way Elektra's pussy hair tickled his balls while he was fucking her ass from behind. "I love to shock people," Elektra said. "I think this will make your readers stop and look." And jack. "Of course. Always that!"

Pepper

Birthday: August 29
Age: 45
Height: 5'8" **Weight:** 135 lbs.
Lives: San Antonio, Texas
Status: Divorced
Occupation: Bartender

There's a good reason Pepper Payne decided to take the plunge and pose for *40Something*. "I'm an exhibitionist," she said. "I love being watched." You can watch Pepper on these six pages, then you can watch her making her first hardcore scene and getting ass-fucked in the new DVD *Fuck My Old Ass 4*. "I love that title!" she said. "What do you think would happen if I walked up to a stranger and said, 'Fuck my old ass.'" We think he'd fuck your ass, Pepper.

There it is, super-sized and in living color: the ass and asshole (and gaping pussy) that Pepper gets fucked in *Fuck My Old Ass 4*. Check out how Pepper grips her ass cheeks and spreads wide. Gentlemen, this is not a shy woman. "I would never really go up to a man and ask him to fuck my ass, but I would go up to a man who I'm attracted to and make it very obvious that I want him, and I don't mean I want him to take me out to dinner, although he can do that, too...after we fuck. Fucking is always my first priority."

In *Fuck My Old Ass 4*, Pepper is sitting on a couch with her fingers buried inside her pussy when her guy shows up. "I've been waiting for you," Pepper says. "What took you so long? This 45-year-old pussy is just so hot and ready for you." Turns out her ass is ready for him, too, because when the action starts, the guy has one finger in Pepper's pussy and two in her asshole. Then she sucks his cock deep, displaying a very impressive blow job-style, fucks his cock with her pussy and then takes it where she really wants it: in her ass. "His cock was big, but I just spread my legs a little further and took everything he had!" Pepper said of her ass-fucking. "For me, this was a great chance to have my ass fucked by a professional stud, and I wasn't going to pass it up just because his dick was a little big." The truth is, Pepper never passes up sex. "I once did eight guys at the Green Door in Las Vegas," she said. "It was my first time in a sex club, and I ended up doing the house. I was there for five hours, and when the place closed, I was sticky with cum and wanting more. And, yes, they fucked my old ass!"

ed to have sex with her mother. Sure, her mother is very attractive, but I don't want to have sex with her. The only person I really want to have sex with is my wife. The women of 40Something are just fantasies for me.

Second, this whole thing is affecting our marriage because she thinks I am not attracted to her because she's so young. Believe me, I am attracted to her. I think she's beautiful, smart and has a great personality or else I wouldn't have married her. She's the woman who I want to be the mother of my child. But she keeps asking me questions like, "Why do you like these old ladies?" and "Do you want to have sex with an old lady?" and "Do you think an old lady can do things in bed that I can't?" But I can't answer these questions without insulting her.

Perhaps the biggest problem is that she has me second-guessing myself. I like older women because they're sexier than young girls and know how to please a man. I do think an older woman can do things in bed that a younger woman can't, but all along, I was looking forward to growing old with my young wife, who one day will be, I hope, a mature nymph. But now, for the first time, I'm wondering whether I should have gotten married. I don't want to ruin my marriage, I'm wondering if her discovering my 40Somethings has opened up a big can of worms that can never be re-sealed.

What should I do? I don't want to lose my marriage, but on the other hand, I don't want to be unhappy.—D.T., Rockville, Maryland, via email **40**

Rose

Birthday: March 31 **Age:** 45
Height: 5'3"
Weight: 98 lbs.
Born: Beijing, China
Lives: Riverside, California
Status: Married

"I did not know anything about sex before I moved to the United States with my new husband," said Rose, who was born in China. Saying she was sexually repressed would be a major understatement. Her husband told us, "Rose had never had an orgasm until she came to the U.S. She thought orgasms were only for men."

Thumbs up to Rose's hubby for recognizing her as the fuck toy she would become. First, he taught her the joys of masturbation. "I had never seen a dildo before," she told us. "I loved being able to do things to myself that I had never done before. The first time I had an orgasm, I was afraid. I thought something was wrong with my body." But, as Rose discovered, everything was fine. "Then my husband ate my pussy for the first time and my life changed."

It's a shame to think that if Rose had remained in China, her meaty, pink pussy's potential would have gone unrealized. She never would have enjoyed multiple orgasms. And never would have posed for *40Something*. "The first time I saw your magazine, I said to my husband, 'I want to do that. Do you think I can?' Before I knew it, he was taking test pictures of me naked and sending them in."

Does this look like a woman who was sexually repressed for the first 30 years of her life? Does she look like a woman who didn't enjoy sex because she didn't think she was *supposed* to enjoy sex? "Learning to enjoy my body changed my life," said Rose, who's also a mother of two. "I feel sorry for women who never get the chance I had. And now I am going to be the sexual fantasy of thousands of *40Something* readers around the world. I am so excited!"

50 Something

Jeri

Birthday: May 31 **Age:** 54
Height: 5'5"
Weight: 135 lbs.
Lives: South Carolina
Status: Married
Occupation: Saleswoman

Jeri lives in a small town in rural South Carolina. It's a conservative town where everyone knows everyone else's business, families go to church on Sunday morning and people live by a very strict moral code. In other words, it's a town that can't contain a woman like Jeri, whose sexuality is always out there. "That's one of the things I liked about doing this," Jeri said. "I'm definitely doing something that would cause tongues to wag." On top of that, Jeri has grown children, and they wouldn't be happy if they knew their mother was doing this. "But all my life, I've done everything for my kids. Now I'm doing something for me. The truth is, they don't know half the things their mother does. They don't need to know."

Ah, the things Jeri has done! Threesomes, foursomes and more-somes. A gang bang at a swingers club in Paris. "There were a lot of single guys there, which was great for me," Jeri recalled. "I started by fucking four guys, and by the end of the evening, I think I did seven or eight guys, at least. I don't speak very much French, but the guys and I seemed to work things out just fine."

When Jeri masturbates—which is frequently—she thinks about her past sexual encounters, like the one she had at 50PlusMILFs.com. “I was really excited about doing my first boy-girl scene, but then I saw the size of the guy’s cock they put me with,” she said. “Then I started getting scared.” No worries. Our man handled Jeri with care. Got her pussy all wet and squishy before he shoved his cock inside. “Once I got into it, it was very exciting. And now I have one more thing to not tell my children about!”

Angelique

Birthday: March 11 **Age:** 48
Height: 5'6"
Weight: 128 lbs.
Born: Salina, Kansas
Lives: Vancouver, Washington
Status: Married

"I'm that sexy, naughty MILF who lives next door," Angelique said. "The one you catch glimpses of every so often as I go about my business each day." The one you see wearing tight skirts that make you think, "I wonder if she takes it in the ass?" Yeah, *that* one. "Yes, I do," she said. "But then again, there isn't much I don't do. I once had sex in a peep-show both. One of my girlfriends was working there, so my man and I decided to visit her. We ordered a big-toy show. The curtain came up, and she started fucking herself with the toy. We got so turned on, my man hiked up my skirt and fucked me right against the glass."

By now, the answer to the question, "Why did Angelique model for 40Something?" should be very obvious. But we'll let her tell you anyway. "I'm an exhibitionist, and I love the idea of you guys sitting at home with your cocks out and jacking off to my pictures. I'm a swinger, and I loved the idea of getting fucked by a big-dicked stud who I didn't even know when I woke up in the morning. And I have a little bit of an ego, and I love the idea of being every man's fantasy." A fantasy that she furthers in the new DVD *Fuck My Old Ass 4*. "Let's face it, that's something most women don't do, not even that sexy, naughty MILF who lives next door!" Angelique said. "But as you can probably tell, I'm a lot sexier and naughtier than most MILFs next door!"

At the start of her scene in *Fuck My Old Ass 4*, Angelique says, "I wanna feel that big, hard cock of yours inside my pussy, and then maybe I'll let you give it to me in my ass. I just want to set my tits free and lick the top of your knob. I have a nice, tight asshole just dying to be fucked. But I don't know if I can wait for you baby. Let me show you how I like to get fucked." Angelique's ass gets filled in every conceivable position, and she's always checking out the cock filling her asshole.

When she's not fucking, Angelique enjoys reading, hiking, backpacking, camping and gourmet cooking. She fantasizes about being fucked by one guy while her husband fucks the guy's girlfriend or wife. She's a swinger, and she says she always has beautiful

women to play with. "I have sex as often as possible with men, women and sometimes both," Angelique said. "I really am that mature, sexy woman you see and fantasize about, but with me the reality is so much more fun than your wildest imagination!"

go to a fancy office party, and we'll look fine. Everything's fine and we fit right in. Or, on the other hand, we can go to a house party that's just out there where you can have a good time and screw everything that walks, and we'll have a good time there, too! [Laughs]

40SOMETHING: You're kind of the one-size-fits-all woman, aren't you?

LOLA: [Laughs] Yeah, I guess, because you can take me out to a classy place, and you can also take me home and screw my brains out.

40SOMETHING: What's the old saying? A lady in the boardroom, a whore in the bedroom? Have you heard that?

LOLA: I think that's how it goes. That's probably me.

40SOMETHING: Now, you told us that you've retired. What did you do when you worked?

LOLA: I used to be a hairstylist and, no, I never dreamed I'd be doing something like this. Even when I started swinging, I didn't see this in my future. But it's something I very much enjoy.

40SOMETHING: Let's get to the obvious question: You have now been doing this for five or six years, 10 years if we include your own website. In all that time, have you ever run into anyone who's seen your photos and videos? Have any family members or friends ever found out?

LOLA: No, not at all, which is surprising and also a good thing. I've had guys who are in the lifestyle who have recognized me, but that doesn't matter. I'm okay with that. In fact, I like it. I get to fulfill their fantasies. But nobody in my regular life, if you want to call it that, has seen me in *40Something* or at 50PlusMILFs.com.

40SOMETHING: Where, of course, we are currently showing two brand-new hardcore videos of you. Would the people in your regular life, as you call it, be surprised?

LOLA: Oh lordy, yes! They would die! [Laughs] Because all my nieces and nephews think I'm the biggest prude. [Laughs] And I encourage them to think that. I'm always saying stuff to my nieces like, "You had better watch your manners." That sort of thing. "You guys, stop running around like that! You can't do that!" I'm really strict.

Lola Lee Interview

continued from page 82

40SOMETHING: Let's say you had a 20-year-old niece.

LOLA: I do have one.

40SOMETHING: And let's say she said, "Aunt Lola, I'm going to The SCORE Group next week."

LOLA: I'd say, "Oh, really? What's that?"

40SOMETHING: And she'd say, "I'm going to shoot porn." You'd say?

LOLA: "I can't believe it. Are you sure this is something you want to do? You know, this is going to be out there forever, for the rest of your life."

40SOMETHING: And then you'd say?

LOLA: "But if you really want to do it, then go ahead." [Laughs]

40SOMETHING: And watch out for this guy named Juan, who, to let the readers know, is the guy you're having sex with in these photos. And your niece would say, "But Aunt Lola, how do you know about Juan?"

LOLA: "Well, I've just read about him. He's a very famous fellow." [Laughs]

40SOMETHING: That "two sides" of you thing is incredibly hot for a lot of men. It's very sexy, especially hearing you talking about your nieces and nephews.

LOLA: Well, it's really the way I am. You can't run around saying, "I'm a porn star!" all the time. There are times in life you just can't do that. There are a lot of girls who do that, and that's fine. They're proud of it. I just don't want my 90-year-old mother finding out about it!

40SOMETHING: You know those girls who

in here recently.

LOLA: Really? That's wonderful!

40SOMETHING: And we recently had a woman in *40Something*, Miranda Torri, whose daughter, Cassy Torri, also posed for *40Something*. Now, Juan. [Points to our male stud] Come over here. I want to do a little play-acting with Lola Lee. Lola, let's say you were out and you saw Juan. What would you do?

LOLA: You mean out in the club?

40SOMETHING: Sure.

LOLA: And he's just standing there? I'd walk up to him and say, "Hi. How are you? You're awfully cute." Then I'd rub up against him and dance with him. And I'd say, "What are you doing later?"

Then I'd just keep talking and dancing and put my leg in

there to see what's going on, and then we'd just go from there. [Lola Lee brushes up against Juan and puts her leg between his]

40SOMETHING: Well, we've established that you're in a swingers club. What are you allowed to do at this point?

LOLA: It depends on which club you're in. If it's on-premises, you go into a little room and do whatever you want. You

"I want to feel his nice cock against my pussy when we're dancing."

are walking around with the "Porn Star" T-shirts? They're faking it. They're really not porn stars.

LOLA: No, probably not, because most of the women I know who are porn stars don't flaunt it. They just do it! [Laughs]

40SOMETHING: And by the way, you have a 90-year-old mother! I wonder if the guys would be interested in her! They love 75-year-old Sandra Ann. She was

start making out, and I like to kiss. *[She open-mouth kisses Juan]* Normally, when you go to a club, you just start undressing. I like when the man undresses first because I like to look and check out his body. Then I'll take my clothes off, and normally, when I'm in a club, I'm not wearing panties. *[She takes off her panties]* That makes everything easier because I want to feel the guy against me when I'm dancing. I want to feel his nice cock against my pussy. *[She rubs her pussy against his cock]*

40SOMETHING: Well, what if all the little rooms are taken?

40SOMETHING: But right now we're in the little room.

LOLA: We're in the little room. And I'll sit him down and start sucking his cock. *[She sucks his cock]*

40SOMETHING: *[A minute later]* Lola Lee, you're wondering if I have any more questions, aren't you?

LOLA: *[She stops sucking his cock and looks up]* Actually, I was wondering if you wanted to join in.

LOLA: Did that just put an end to this interview?

40SOMETHING: That might've ended it right there!

LOLA: I totally understand.

40SOMETHING: I don't. I'm not supposed to join in. I'm supposed to ask questions, and you're trying to get me into trouble. *[Lola goes back to sucking Juan's cock]* You know, you're not just sucking Juan's cock. You're making love to it.

LOLA: It's pretty.

40SOMETHING: It's pretty? I've never heard a cock described that way. What's your favorite part of a man's cock?

LOLA: The head. *[She licks the cock-head]* And I kinda like the balls, too.

40SOMETHING: Some women are afraid of the balls.

LOLA: Really? They shouldn't be. And some guys like it, but some guys don't like me to mess with their balls.

40SOMETHING: They're idiots. Well, Lola Lee, thanks for coming back to *40Something*. This interview is done.

LOLA: The pleasure is all mine.

40SOMETHING: And I wish I could accept your invitation.

LOLA: Your loss!

Honey Ray

Birthday: September 23
Age: 55
Height: 5'7" **Weight:** 136 lbs.
Lives: South Florida
Status: Married
Occupation: Secretary

So Honey Ray is in her bedroom, playing with her 55-year-old pussy. You see, there's a house painter in another room, and since he showed up, Honey Ray has been thinking about fucking his big, black cock. She rubs her pussy, and her moans fill the house. *What's that?* the painter thinks. He goes to her bedroom to investigate and finds Honey spread out on her bed, looking super-sexy in blue, baby-doll lingerie. "Miss Ray, are you okay?" he says, his eyes focused on her pussy. Honey pats her bed and says, "Why don't you come sit here? I was just thinking about you." The coat of paint can wait. Honey Ray needs a coat of cum.

The painter's cock is huge! It's long and thick—the biggest Honey Ray has ever seen—and Honey Ray tries her darndest to get her mouth around it. “I couldn’t believe the way his meat was filling my mouth,” Honey Ray told us afterward. “I was sucking him and thinking, ‘How am I going to get that thing in my pussy?’” She sucks the cock long and hard and gets it hard, and surprisingly, she has no trouble getting it inside her greasy cunt. “I’ve never felt so full in life. That young man’s cock was as thick as my arm, but it slid right in and just pounded me. I could feel it in my stomach!”

Honey Ray told us that she'd been with a few black guys, but none as hung as Castro, her co-star in the DVD *Chocolate Stuffed MILFs*. "It was funny because before I came to the studio, I was told, 'You're going to have sex with a black man.' I said, 'Okay. I've done that. No big deal.' But then I got to the studio and saw his cock, and I have to admit, I was intimidated at first, but I needed to know what it would feel like."

Honey Ray has a husband and grown children, which leads us to an interesting story about her pierced pussy. "I had a hood piercing for about a year, then I took it out and felt naked. I like the looks of something there, so I went back to my piercer, and she talked me into these two piercings. The top one is called a Christina, which is my daughter's name. She doesn't know about these!" Nor about this. "It's my little secret," she said. "Check that. It's my very *big* secret!"
